I want you to get involved and keep up-to-date on what's happening in Hartford and how it affects you. There are tools available to help you participate and interact with the Connecticut General Assembly.

This mailer includes how to access public hearing calendars, how to receive notices on legislation, and how to best let your voice be heard.

Keep sharing your voice with me and my colleagues here in Hartford. Hearing from you allows me to best advocate for our district. Please do not hesitate to contact me with ideas, concerns and thoughts on what we can do better.

Sincerely,

A handwritten signature in black ink that reads "Cathy". The signature is written in a cursive, flowing style.
