Dear Neighbor,

I am reaching out as your re-elected state representative of the 83rd district. As we move into the 2019 legislative session, I believe that getting input from you is the best way for us to create good policy for Connecticut. As my committees create policy and I vote on behalf of our district, your thoughts and opinions are important to me.

Each week, my office sends out a digital newsletter called an E-blast that includes legislative updates, upcoming community events, and asks for feedback on issues coming before us. If you would like to receive these updates, please send my office an email.

While we do not know our committee assignments for the upcoming session beginning January 9, for the past several years, I have served as Chair of the Human Services committee and on the Appropriations Committee, and intend to continue working in those policy areas. Working with our underserved populations continues to be a passion of mine.

Should you need to reach my office for any reason, I can be reached at **Catherine.Abercrombie@cga.ct.gov** or you can reach me at **860-240-0493**

Again, it is an honor to represent you here in Hartford and I look forward to hearing from you.

Sincerely,
