Important: Covid-19 Information

In these difficult times, I understand how important it is that you get the most current and accurate information to protect yourself, your loved ones and our community. While these are unprecedented and unpredictable events, I will continue to work with the governor, state leaders, partners and experts to keep you informed and connected. My deepest gratitude to our frontline medical workers, essential workers, the national guard and everyone staying home to slow the spread of this pandemic. Be safe!

For More COVID-19 Information

ONLINE:

Go to [CT.GOV/CORONAVIRUS](https://www.ct.gov/coronavirus) for up to date response and public information on the virus and related matters like unemployment, business assistance, and mental health resources.

For Danbury specific information about public schools, food assistance and city updates, go to www.danbury-ct.gov/covid19.

I also share daily updates from the state at [FACEBOOK.COM/StateRepDavidArconti](https://www.facebook.com/StateRepDavidArconti) and through daily ENewsletters you can join by emailing me at David.Arconti@CGA.CT.GOV

PHONE:

Call 2-1-1 for general questions and assistance 24 hours a day. The line also has multilingual assistance and TDD/TTY access for hearing impaired. You can also text **CTCOVID** to **898211**.

What Is Coronavirus/COVID-19?

Symptoms may include (but are not limited to) cough, fever, and difficulty breathing. If you are sick, you should call your physician. Do not call 911 or go to a hospital unless you require emergency care. Go to [CT.GOV/CORONAVIRUS](https://www.ct.gov/coronavirus) for more information about COVID-19.

STAY HOME

The Governor signed an executive order that encourages people to stay in their homes unless running essential errands and closes all businesses not deemed essential until further notice.

STAY 6 + FEET FROM OTHERS

The CDC says that COVID-19 can be spread to people within at least six feet and that people who have the virus without symptoms are contagious.

WEAR A MASK AT ALL TIMES IN PUBLIC

If you have to leave the house, the federal government now suggests that you should wear a non-medical face mask to reduce risk of getting infected or infecting others with COVID-19.

WASH HANDS AND SANITIZE SURFACES FREQUENTLY
