USEFUL INFORMATION

Dear Neighbor,

I remain committed to working toward a leaner and more efficient government, while ensuring the protection of our most vulnerable citizens by keeping essential services properly funded. I wanted to remind constituents of the programs available for those individuals seeking various services.

After a lifetime of hard work and contributing as productive members of society, it is always on the top of our agenda to make sure we work to show our appreciation for our elderly and veteran constituents.

Please do not hesitate to call with any questions or concerns about these programs or any other issues.

Thank you for the honor of representing you.

Sincerely,
