

CANCER PREVENTION STUDY-3

Research today for a cancer-free tomorrow.

YOU ARE INVITED

Have you been impacted by cancer, whether it be yourself or a loved one?

Are you passionate about helping to discover better ways to prevent, treat, and hopefully cure cancer?

The American Cancer Society and Western Connecticut Health Network are joining forces with community partners to enroll participants in the Society's Cancer Prevention Study – 3 in the Greater Danbury Community.

Please join us for a launch event

Thursday, October 24, 2013
Western Connecticut Health Network
Biomedical Research Institute
131 West Street
Danbury, CT 06810

5:30 – Registration, refreshments and tours of Biomedical Research Institute

6:00 - Program

6:45 - Closing remarks and tours

Whether you are a Survivor, Caregiver to a cancer patient, or are interested in honoring a friend or loved one who has battled cancer, you are invited to serve as a CPS-3 Champion. As a volunteer champion, you will be making a difference by supporting this once-in-a-generation, historic research study.

RSVP by 10/23 to sara.coffey@cancer.org or 203-563-1523
