

YOUR VOICE IN THE STATE HOUSE

Dear Friends,

It's been such a difficult year, but I want to thank you and your family for the sacrifices you have made to protect the health and safety of our community. We will do everything we can this year to confront the economic and health challenges of this devastating pandemic to help Enfield recover.

As your State Representative, I look forward to continuing to serve you at the General Assembly in Hartford. I'm always interested in hearing your views on the vital matters facing the state. To date, Enfield's schools have received over 4.5 million in COVID relief funding, 2184 laptops in an effort to close the digital divide and Enfield's Arts have received \$6,000 COVID relief funds for the arts.

Please email me with any questions, suggestions, or comments you would like to share.

Stay safe and be well,
