GOOD THINGS HAPPEN WHEN WE ALL WORK TOGETHER.

We Balanced the Budget.

With bipartisan support, including a majority of Republicans, Connecticut got its fiscal house in order. We fully balanced the budget.

We Paid Down Debt and Continued Support for our Rainy Day Fund.

We reduced decades worth of unfunded pension obligations by \$1 billion this year and another \$1 billion in 2027. Real relief for future taxpayers and extra support when needed.

I Call this the Budget of Early Childhood and Education.

We added \$300 million more to the Early Childhood Development Trust, which now holds \$600 million in total. The research is clear: every dollar invested in early childhood returns \$7. It's the smartest money we spend.
