REP. MATT BLUMENTHAL LEADS ON TRANSFORMATIVE INVESTMENTS IN EARLY CHILDHOOD CARE AND EDUCATION

- ✓ We established the **Early Childhood Education Endowment** - an investable trust fund that will create universal access to child care
- ✓ By 2027, families earning up to \$100,000 will be able to receive child care at **no cost**, while families earning more will pay **no more than 7%** of their income
- ✓ We created an **online portal** to help parents navigate affordable child care and educational opportunities closer to home
- ✓ We created a **refundable tax credit** of \$250 per filer for working families and a \$500 refundable tax credit for home daycare owners—to assist working parents and care workers and to increase care options
