

Dear Neighbor,

The 2025 legislative session featured big issues like lowering energy bills, childcare, special education, and the state budget – and we tackled them all.

Our budget provides a \$250 check to working families under EITC guidelines and \$300 million to fund the childcare trust fund. We devoted hundreds of millions of dollars to special education and we approved comprehensive energy legislation to reduce electric bills for businesses and families.

“Connecticut will be poised to continue saving hundreds of millions of dollars annually to continue paying down its hefty pension debt at an accelerated pace.”

- Our budget is the single greatest investment in childcare in Connecticut's history.
- We delivered targeted, meaningful tax relief and long-term support for working families.
- Our comprehensive energy reforms will mean lower bills and a smarter grid.

Representing *Ashford, Brooklyn, Eastford, Hampton, Mansfield, Pomfret, & Woodstock* is a privilege, and when I work with my colleagues on the state budget, it is always top of mind.

This year we secured:

OUR SINGLE-GREATEST INVESTMENT IN SPECIAL EDUCATION

- Established a new Special Education Expansion and Development (SEED) grant program based on school needs to help build local capacity so more students can be served closer to home.
- Ensured our reimbursement grant for high-needs students is funded at its highest level in Connecticut history.
- Increased state funding for local capital improvements related to special education.

TAKING PUBLIC SAFETY SERIOUSLY

- We expanded our "Fallen Officer Fund" to cover the families of firefighters, EMT personnel, and paramedics who are killed in the line of duty so they can receive cash benefits and health insurance coverage.
- Increased penalties for street racing and takeovers, including two-year license suspensions.
