REP. KEVIN BROWN'S PRIORITIES FOR VERNON

- Working to ensure Connecticut remains a place where families can afford to live, work, and build their futures without being pushed out by rising costs. Fighting Federal cruelty and incompetence that is making life unaffordable for working families.
- Protecting the right to vote by improving access to the ballot, defending election integrity, and strengthening trust in our democratic process.
- Continuing efforts to provide students with the excellent education they deserve while making sure municipalities have the support they need to provide vital local services.
- Promoting policies that support and protect Connecticut's hardworking residents.
- Supporting initiatives that help every child in Connecticut grow up in a safe, healthy environment with opportunities to succeed.

I remain committed to making Connecticut more affordable. It is an honor to represent you, and I will continue to work and advance policies that support working families and strengthen our communities.
