

SESSION WRAP-UP

It remains a privilege and honor to serve as your state representative. The 2023 legislative session is in the rearview mirror, and I wanted to take a moment to check in and share some highlights from the past several months.

We worked hard to deliver a budget that adheres to our fiscal guardrails while still providing hundreds of millions in more funding to our local schools, colleges and universities, and services for our most vulnerable residents. As part of our historic tax cuts, families of four who make under \$50,000 annually will pay no state income taxes. This is another important step in making CT affordable for everyone.

We did it by working together – which allowed our diverse caucus to hear different perspectives, compromise, and create better legislation.

I'd love to hear from you if you would like more details or have any questions on the initiatives addressed in this legislative update.

Sincerely,

BIG WINS FOR GROTON, MYSTIC & STONINGTON

- ✓ Historic funding for schools
- ✓ Massive deposit into Rainy Day Fund
- ✓ Sensible/sustainable budget
- ✓ CT a beacon for reproductive healthcare
- ✓ Modern voting system with early voting
- ✓ Invest in growing healthcare workforce
