# STATE REPRESENTATIVE LARRY B. BUTLER

PROUDLY SERVING THE 72ND DISTRICT

Dear Neighbors,

I am proud to support a bipartisan **state budget that increased state aid to Waterbury over what we received last year.**

Waterbury schools will receive approximately \$3.3 million more in state funding than they received last year.

Sincerely,

## Components of the bipartisan budget agreement include:

- Fully restores the Medicare Savings Program that helps low-income elderly individuals and the disabled pay for the cost of medicine and health care premiums
- Protects municipal aid from being cut midyear
- Fully funds the retired teachers health account (at 33%)
- Restores \$10 million in clean energy funds, helping to protect our environment
- Maintains “Rainy Day” Fund reserves at the highest level in over a decade.
- Maintains funding for Higher Education and provides extra help to our Community Colleges.
- Restores HUSKY A which provides health care coverage to children, their parents and pregnant women.
