

ENERGY SAVING TIPS

TURN DOWN YOUR THERMOSTAT

Find a comfortable temperature and keep it fixed there. Remember to turn it down at night and when you're out.

OPEN & CLOSE YOUR BLINDS

Make sure your blinds and curtains are open during the day, allowing sunlight into the house. Close blinds at night in order to trap heat.

WINTERIZE YOUR WINDOWS & DOORS

Use plastic film to cover your windows. Inspect door frames to make sure no drafts are coming into your home.

CHECK YOUR FURNACE

Clean your air filters so that your heating system works better.

USE YOUR CEILING FAN

Set your fan to blow air towards the ceiling. This will allow even heating in the room.

CONTACT YOUR UTILITY COMPANY

Many offer tips by phone, email or website. Some will send a representative to your home. Call Eversource (800-286-2828) or Connecticut Natural Gas (860-524-8361) for more information

GET AN ENERGY AUDIT

Energize CT offers free home energy audits for qualified people. Visit www.energizect.com to learn more.

HELP WITH HEATING COSTS

Dear Neighbor,

The cold months of winter are fast approaching and you may be eligible to receive assistance to help you pay for your heating bills. There are several programs that can help subsidize your heating costs and make sure your heat stays on. More information on these programs is contained in this mail piece, which I hope you will find helpful.

Please do not hesitate to call my office at 860-240-8585 if you have any questions or need more information.

Sincerely,

HEATING HELP

Are you struggling? Know your rights. You can't get your heat shut off in winter. Landlords are required to keep all heating, plumbing, electricity and appliances on. You or your landlord may be responsible for water, depending on your contract. Heating must be kept at 65 degrees or above all winter.

READ MORE ABOUT YOUR LEGAL RIGHTS:

In Spanish: ctlawhelp.org/es/derechos-de-los-inquilinos-informacion-general

In English: ctlawhelp.org/en/tenants-renters-rights-laws

If you have a utility shut off, contact your landlord by phone and in writing. If your utilities are not turned back on, contact your local Health Department or Housing Code Office, and the police department.

WHO CAN HELP

Connecticut has heating help for people who use natural gas, electricity, oil, propane, coal, wood and wood pellets. To avoid a winter shut-off, most gas and electric utility companies offer a Winter Protection Program to low-income residents who are late paying their heating bills. For help, call United Illuminating 1-800-722-5584 / CT Natural Gas customers 860-524-8361.

ARE YOU A HOMEOWNER OR RENTER WHO PAYS SEPARATELY FOR HEAT?

If you live in a vulnerable household (one or more members are age 60 or older, are disabled, or are under age 6) then you may qualify for up to \$725 in winter heating help. If you live in a non-vulnerable household you may qualify for up to \$670 in winter heating help.

ARE YOUR HEATING COSTS INCLUDED IN YOUR MONTHLY RENT?

You may be eligible for between \$150 to \$190 in winter heating help depending on your household's income and number of members.
