# REP. JUAN CANDELARIA: STRONGER PROTECTIONS FOR TEACHERS, NURSES, & WORKING FAMILIES

- ✓ Expanded workplace injury protections for nurses and teachers by covering lost wages, benefits, out-of-pocket costs, and preventing forced use of accrued leave.
- ✓ Improved safety and support for healthcare workers, including better protections for assaulted staff and access to critical patient safety information.
- ✓ Strengthened job security and financial protections for workers, including unemployment access for paraeducators and safeguards for subcontracted employees.
- ✓ Enhanced overall labor standards by improving safety regulations, ensuring timely pay, covering emergency work incidents, and guaranteeing workplace rights like adequate break time.

*Representative Juan Candelaria advocating for all the families, individuals, children and seniors on the House floor to ensure funding reaches our local infrastructure.*
