# YOUR VOICE IN THE STATE HOUSE

As your state representative, I look forward to continuing to serve you in the CT General Assembly in Hartford. It is my goal to always work to make Connecticut a better place to live, work, and thrive.

I'm proud of all the work our State has done to protect the City of Stamford and Connecticut's bottom line and deliver historic tax cuts. However, we still need to face the challenges of inflation, adequate funding for childcare, public education, and more housing solutions - for every age and stage in this upcoming session.

As always, please do not hesitate to contact me if I can be of assistance to you or your family. It's an honor to serve as your state representative and I look forward to hearing from you about ways we can improve Connecticut for all of us.

Best,
