For Seniors, a Safer & Healthier Connecticut

These are challenging economic times, but there are several services that can assist you, a family member or a friend and I wanted to make sure that you are aware of them and have the proper information.

As always, please contact me if you have questions or concerns about this year's legislative session, or any other matter.

HELPING WITH GROCERY BILLS

The Food Stamp program is now called the Supplemental Nutrition Assistance Program (SNAP). SNAP has expanded its income requirements and benefit amounts making it easier for more seniors to qualify and afford their groceries. A household of two can earn up to \$2,248 monthly and qualify for assistance.

LOCATING MISSING SENIORS

Connecticut now has Silver Alert, which is modeled after the Amber Alert system for missing children. This will help locate missing seniors and mentally impaired adults by broadcasting an emergency missing persons notice to radio and television stations through the Emergency Alert System, as well as through 2,800 CT Lottery system retailers & electronic billboards.

PREVENTING FINANCIAL CRIMES AGAINST SENIORS

To protect seniors from fraudulent marketing practices, we prohibited financial consultants and life insurance agents from advertising that they are certified to advise seniors unless they have completed a qualified training program or meet state standards for certification.

ENERGY ASSISTANCE

It is not too late to apply for home heating assistance programs. These programs are designed to help qualifying homeowners and renters with their primary heating bills. If you need assistance, call my office at 800.842.8267 or *the Community Access Agency of New Haven, Inc.* at 203.387.7700.

INSURING ACCESS TO DISCOUNT PROGRAMS

To make sure that seniors can take advantage of all discounts offered to them by businesses, stores must now have a prominent sign at the cash register, store entrance or point of display stating their discount policy, including the qualifying age and discount percentage or dollar amount.

EXPANDING ACCESS TO AFFORDABLE HOMECARE

New rules expand access to affordable personal care assistance under the Connecticut Homecare Program for Elders. This program can provide assistance with daily living activities and helps many seniors to live independently in their homes rather than entering a nursing home.
