

REP. DATHAN: BRINGING BACK CONNECTICUT'S ECONOMY

Dear Neighbor,

While our communities have faced devastating hardship this year, we are beginning to see brighter and stronger days ahead. With a new administration in the White House, our state has a unique opportunity to leverage federal funding and make the types of targeted investments that our economy needs to ensure all of Norwalk and New Canaan residents can economically recover, and are on a path to prosperity.

As the Vice Chair of the Appropriations Committee I am proud of the budget we have put together. In this mailer I've highlighted a few of the proposals that we have put in the Appropriations budget.

Please reach out to me at any time for more information.

Lucy Dathan
