

Above: Rep. DeFronzo speaks at the legislature’s annual Polish Day celebration.

The 2025 legislative session is in the books, and I am proud of what we accomplished.

We focused on big issues in 2025: special education, the cost of energy, mental health parity, and a commitment to universal preschool access. And we also delivered over \$5 million in additional funding for New Britain.

I remain incredibly humbled and proud to be your state representative.

Best Wishes,

Daniel De Fronzo
