# YOUR VOICE IN THE STATE HOUSE

As your state representative, I look forward to serving you in the CT General Assembly in Hartford. It is my goal to always work to make Connecticut a better place to live, work and raise a family.

I am looking forward to learning about the important issues facing our state and how best to serve the people of New Britain. This session we will confront the challenges of inflation, the rising costs of special education and our aging infrastructure.

As always, please do not hesitate to contact me if I can be of assistance to you or your family. It's an honor to serve as your state representative and I look forward to hearing from you about ways we can improve Connecticut for all of us.

Best,
