STATE REPRESENTATIVE MIKE DEMICCO

PROUDLY SERVING THE 21ST DISTRICT

Dear Neighbors,

I proudly supported a bipartisan ***state budget that increases overall state aid to Farmington over what we received last year by more than \$64,030*** in the fiscal year that begins this July.

We also rejected the governor's proposal to cut state education funding to Farmington schools (under the Education Cost Sharing formula). **We increased funding by 6.34% over what we received in FY 18, from \$887,257 to \$943,541 in the coming fiscal year.**

Sincerely,

Components of the bipartisan budget agreement include:

- No income, sales or other state tax increases
- Increases state aid for education over 2018 levels
- Restores funding to Medicare Savings Program that helps low-income elderly individuals and the disabled pay for the cost of medicine and health care premiums
- Restores partial funding to the Energy Efficiency Fund, juvenile justice programs and services for individuals with developmental disabilities
- Maintains the "Rainy Day Fund" reserves at the highest level in over a decade
