REP. MICHAEL DIGIOVANCARLO: PRIORITIES

- Supporting and protecting Connecticut's seniors, by strengthening access to healthcare, housing stability, financial security, and the benefits and services they've earned.
- Establishing a state-run dental program for veterans, developing programs to support transition from military service to employment, career counseling for veterans, and expanding access to job training and workforce resources.
- Expanding access to nutritious, affordable food for Connecticut families, by supporting food banks, community-based programs, and policies that address food insecurity across urban, suburban, and rural communities.

I remain committed to making Connecticut more affordable. It is an honor to represent you, and I will continue to work and advance policies that support working families and strengthen our communities.
