

# SESSION WRAP-UP

It is a privilege and honor to serve as your state representative. The 2023 legislative session is now in the rearview mirror, and I wanted to take a moment to check in and share some highlights from the past several months.

I'm proud to have worked on a budget that delivers historic tax cuts and increased funding for students, families, and our most vulnerable residents, while paying down our long-term debt, including an additional \$2.072 billion in unfunded future pension liability.

Most importantly, we did it by working together – without gimmicks or partisan politics. We prioritized education, supported non-profits, and invested in public safety without the fighting you see in Washington.

I'd love to hear from you if you would like more details or have any questions on any of the initiatives addressed in this legislative update.

Sincerely,

## BIG COMMON SENSE WINS

- Historic funding for schools
- Massive deposit into Rainy Day Fund
- Sensible/sustainable budget
- CT a beacon for reproductive healthcare
- Modern voting system with early voting
- Invest in growing healthcare workforce
