

REP. JAIME FOSTER: IT'S TIME TO INVEST IN SENIORS

EAST WINDSOR, ELLINGTON & VERNON'S VOICE
AT THE STATE CAPITOL

Connecticut's aging population is growing and faces escalating challenges. As our society ages, these issues will only become more pronounced and common. That's why this legislative session, I worked hard to pass several bills that address these complex issues and to help make crucial improvements in senior care. Connecticut seniors deserve the best support and resources we can offer for them to comfortably age in place, and when hospital, rehab, or nursing homes stays are needed, they deserve outstanding care.
