

KEEPING YOU SAFE FROM GUN VIOLENCE

Since becoming your state representative, I have been a champion for responsible gun laws. From DJ's law creating the crime of negligent storage of a firearm, through the assault weapon ban thirty years ago, and to our response to the terrible massacre of the innocents at Sandy Hook in 2012, I have sponsored reasonable gun safety measures. This year is no exception. Public Act 23-53 was signed June 6. I am proud of what we were able to accomplish and will continue to fight for meaningful gun laws for the foreseeable future.

OUR COMPREHENSIVE GUN SAFETY BILL

I debated the bill the day after an active shooter irresponsibly fired his gun in our neighborhood, right on Wildman Street. Enough! We passed the bill with the votes of my Danbury colleagues: Representatives Allie-Brennan, Chaleski, and Santos, and Senator Julie Kushner.
