What Is Coronavirus/COVID-19?

Coronavirus is (Coronavirus Disease 2019) is a respiratory illness spread from person to person contact. There are many forms of coronaviruses, but COVID-19 is a new disease, not previously seen in humans, causing this global pandemic with many cases here in Stratford. Symptoms may include cough, fever, and difficulty breathing. If you are sick, you should call your physician or visit a outdoor testing location like the one off exit 46 of I-95 in New Haven. Go to [CT.GOV/ CORONAVIRUS](https://CT.GOV/CORONAVIRUS) for more information about COVID-19.

BROAD BAND INTERNET ACCESS:

Major carriers/ISP's are offering low cost options for High Speed Internet for households with students distanced learning in Stratford. Information for those that qualify and how to change to this option can be found at this link Frontier.com/resources/discountprograms/lifeline program/Connecticut and www.alticeadvantageinternet.com

WEAR A MASK:

The Governor signed an executive order encouraging people to stay in their homes unless running essential errands and wearing a face mask in public to reduce risk of getting infected or infecting others with COVID-19

6 + FEET:

The CDC says that COVID-19 can be spread to people within at least six feet and that people who have the virus without symptoms are contagious.

Wash Hands and Sanitize Surfaces Frequently
