EMERGENCY INFLATION RELIEF SECURED THROUGH MARCH 2023

When I made my way through the community over the past few months, I had the privilege to speak with many of you about what was on your minds and what continues to make the biggest impact on your families.

The resounding response: the need to address inflation. So, we got to work and met for a special session on November 28th, and House Democrats **delivered bipartisan relief** to CT families.

EFFECTIVE IMMEDIATELY:

- Extended gas tax cut through April 30, 2023
- Extended free bus service through March 31, 2023
- Funded over \$30 million in emergency fuel assistance
- Delivered premium pay benefits to over 150,000 frontline, essential, private-sector workers who worked during the pandemic
