

YOUR VOICE IN THE STATE HOUSE

As your state representative, I am honored to continue serving you in the Connecticut General Assembly in Hartford. I am excited to share, I have been promoted to the House leadership team as a Deputy Speaker. This new role will give Stratford more visibility as my colleagues and I work to improve the quality of life across our state.

I'm proud of what we have accomplished to improve Connecticut's bottom line over the past several years. Since we have adhered to our fiscal guardrails, constituents benefited from historic tax cuts, plus rebounding levels in contractually obligated pension funds for retired state workers. I plan to maintain this momentum as we face the challenges of inflation and uncertain federal funding levels.

Businesses across the state are also getting their workers' compensation insurance rates lowered for an eleventh consecutive year. This trend reflects safe work environments with fewer injuries and filed claims.

As always, please do not hesitate to contact me if I can be of assistance. I look forward to hearing from you and addressing any of your concerns.
