Dear Neighbor,

This year, I worked to help pass a biennial budget to address Mansfield's most pressing needs. I am proud to announce that under this budget, Mansfield will see an increase in funding beginning in Fiscal Year 2022.

I am thrilled that Mansfield will receive over \$4.7 million in additional PILOT funds.

Although the regular session has concluded, I will continue to work to make Connecticut a better place to live, work, and raise a family. As always, please don't hesitate to reach out to my office if I can be of assistance to you or your family.

Sincerely,

PRSR STD
U.S. POSTAGE
PAID
HARTFORD, CT
Permit No. 3937

2021 RESULTS FOR MANSFIELD

One of my primary obligations as your state representative is to ensure that the state is a good partner to our town. I'm proud that I have been able to deliver results that help to pay for the quality services and excellent schools in Mansfield.

MORE FUNDING FOR MANSFIELD

I fought to ensure that through this budget Mansfield will see an increase in funding in both Fiscal Years 2022 and 2023. I am confident our community and state will recover and thrive as we move out of this pandemic.

Thanks to changes to the state's PILOT program (payment in lieu of taxes), Mansfield is getting \$10,369,767, an increase of \$4,795,667 in each of the next two fiscal years.

MANSFIELD ELEMENTARY SCHOOL

The town broke ground on our new Mansfield Elementary School with \$33 million in state support towards construction costs. The building will be Connecticut's first net zero energy public school.
