

STATE REPRESENTATIVE JOHN K. HAMPTON

Dear Friends,

The 2019 legislative session commenced on January 9th and the CT General Assembly is already in high gear as many proposed bills have been submitted regarding a multitude of issues affecting Connecticut residents.

I remain laser focused on getting our state's fiscal house in order to give our citizens and businesses more predictability and crafting stable budgets that make Connecticut a more affordable place to live, work and retire.

In this newsletter you will find some of my legislative goals as well as some of the bills that I have introduced.

If you would like to learn more about this legislation or become more involved, I am also including resources available to you from our CGA website for following legislative events, committee meetings/public hearings and bill tracking.

As always—to make our democracy work—I would like to hear from you and will welcome and appreciate your comments, questions and concerns.

Thank you!

Sincerely,
