

HELPFUL RESOURCES FOR VETERANS

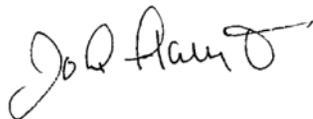

Dear Friends and Neighbors:

Freedom is not free. Our brave men and women who served our nation in the armed services protecting our democracy and freedom deserve the very best.

As more veterans return home, it remains a top priority of mine at the State Capitol to ensure they have access to first-rate healthcare, housing, employment and education.

I hope you find this summary of veterans' resources helpful. If you would like more information, please feel free to contact me at any time.

Best wishes,
