2010 Constituent Survey

Dear Neighbor;

2009, has been troublesome, to say the least. Our state's revenues dropped 27%, at no fault of ours, making budget balancing very difficult.

In these difficult and uncertain times, I am comforted by the fact that you and other neighbors will help guide my decisions by answering this survey. I remain committed to ensuring the protection of our most vulnerable populations and keeping essential services properly funded.

Thank you for the honor of serving you. Best wishes for a happy 2010!

State Representative
