USEFUL INFORMATION

Dear Neighbor,

As the legislative session continues, I wanted to remind constituents of the programs available for those individuals seeking various services.

After a lifetime of hard work and contributing as productive members of society, it is always on the top of our agenda to make sure we work to show our appreciation for our elderly and veteran constituents.

Please do not hesitate to call with any questions or concerns about these programs or any other issues.

A handwritten signature in cursive script that reads "Jack".
