

# REP. HUGHES: FIGHTING FOR RACIAL EQUITY

COVID-19 has exposed many underlying inequities in our state. With a new administration in the White House, our state has a unique opportunity to leverage federal funding, take big leaps towards addressing racial inequity, and accelerating opportunity in our state. This will go a long way to ensuring a stronger and fairer future for all Connecticut residents.

I've highlighted a few proposals that House Democrats have advanced out of our committees, along with a few items that I'm championing.

Please reach out to me at any time for more information.
