

STATE REPRESENTATIVE SUSAN JOHNSON PASSES BALANCED BUDGET WITH HISTORIC INVESTMENTS FOR WINDHAM

We worked hard to deliver a budget that provides millions in more funding to our local schools, state community colleges, and services for our most vulnerable residents. As part of our historic tax cuts, families of four who make \$50,000 annually will pay no state income taxes. This is another important step in making CT affordable for all.

BUILDING OFF LAST YEAR'S SUCCESS

- ☑ Continues the Earned Income Tax Credit at its highest historic level – helping our lower-income workers and families
- ☑ The Earned Income Tax Credit also helps local businesses because local families have more money to spend, and they usually spend it locally
- ☑ Increase in local Educational Cost Sharing
