HELPFUL SERVICES & PROGRAMS IN OUR AREA

Dear Friends and Neighbors,

You sent me to Hartford with the mission to serve Windham. During my time in Hartford, I have fought tirelessly for the underserved and underrepresented in our town and throughout our state.

This legislative session, I have joined with my fellow legislators to introduce important bills (1) Increasing our ECS funding; (2) establishing a statewide paid family and medical leave program; (3) creating a public option for health insurance; (4) raising the minimum wage over a period of time; and (5) I'm working to prevent a proposed cut to our Medicare Savings Program.

This brochure offers some essential information regarding programs that can assist you. Alongside those summaries, I have also listed several agencies' contact information for you to use to get in touch with them. As always, please feel free to contact me with any questions, comments, or concerns that you may have. Also, please sign up for my email blasts to receive information on a regular basis - regarding my bills and issues that face our town and our state.

Sincerely,

PRSRT STD
