# HELPFUL RESOURCES FOR VETERANS

Dear friends and neighbors,

I work hard to support veterans and active duty men and women. Helping veterans is always a bipartisan issue and we all can do our part, whether it is on the local, state, or federal level – or just a fellow citizen saying, “Thank you.”

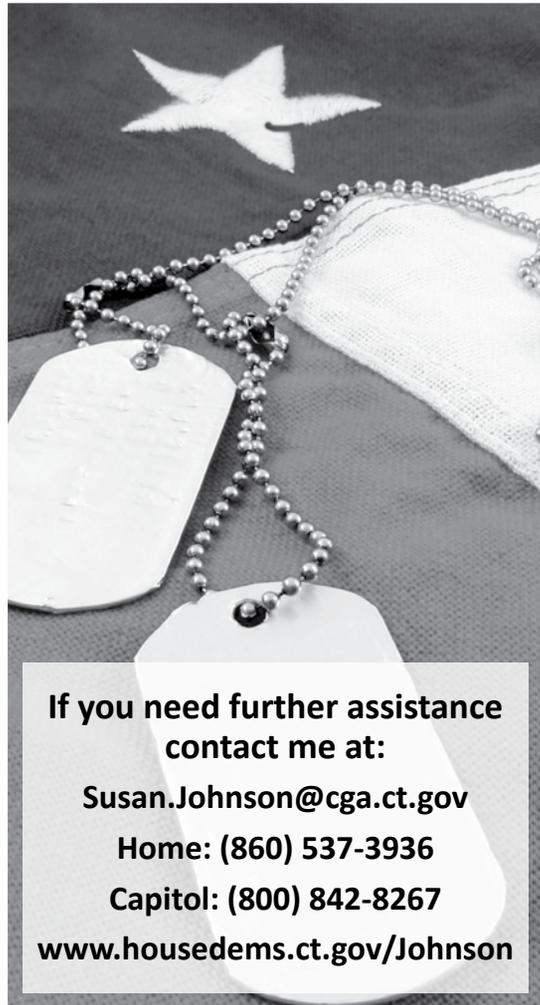

I hope you find the information about veterans’ resources in this mailer helpful. If you would like more information, please feel free to contact me anytime.

Sincerely,

A handwritten signature in blue ink, appearing to read "Susan".
