

Energy efficiency

Connecticut's energy-efficiency programs help create jobs, lower energy bills, lessen dependence on foreign fuels, reduce energy consumption and decrease harmful emissions. I am pleased to highlight the various opportunities for both businesses and homeowners to save energy and money through these programs.

For more information, please visit www.ctenergyinfo.com or call 1-877-947-3873.

As always, please don't hesitate to contact me if you have any questions about these programs or any other matter.
