MORE MONEY FOR AVON

BUDGET UPDATE FROM STATE REP. ELENI KAVROS DEGRAW

While crafting the 2022-2023 biennium budget, we had the unique opportunity to learn from the pandemic crisis by looking at what we do well, what we can improve, and what initiatives we can advance, while also meeting the important task of caring for our neighbors and communities.

We balanced the state budget without underfunding the safety net and without raising taxes. We were also able to fully fund our obligations, maintain our strong reserves, and not push additional costs or burdens to our municipalities.

I am proud to highlight that this budget shielded Avon from any decrease in municipal aid and went a step further by actually increasing the total amount of dollars returned to our community.

Please know that I will continue to work with my colleagues and legislative leadership to advocate for Avon to ensure our community receives all we deserve.

Kindly,

Eleni Kavros DeGraw
Vice Chair of the Finance, Revenue and Bonding Committee
