

WOMEN SUPPORTING WOMEN

Dear Neighbor,

It has been a busy and exciting session at our State Capitol and I want to share some updates with you. Through the years, as I meet women of all ages in our town, they talk to me about the obstacles they face and the ideas they have for how we can best help women succeed.

Over the last few years, I have worked on legislation that improves women's safety, positive health outcomes for women in every stage of their lives, and economic drivers for women. This mailer includes a compilation of legislative priorities we took up this session as well as a great list of local women's businesses.

If there is a topic you would like more information on, please email me at Eleni.KavrosDeGraw@cga.ct.gov or call me at 860-240-8507. It is an honor to work on your behalf and I look forward to continuing to invest in women in our district and across our state.
