

# SESSION WRAP-UP

Dear Neighbor,

The 2023 legislative session is in the rearview mirror, and I wanted to take a moment to check in and share some highlights from the past several months.

We worked hard to deliver a budget that adheres to our fiscal guardrails while still providing hundreds of millions in more funding to our local schools, colleges and universities, and services for our most vulnerable residents. As part of our historic tax cuts, families of four who make under \$50,000 annually **will pay no state income taxes**. This is another important step in making CT affordable for everyone.

We did it by working together – without the fighting you see in Washington.

It remains a privilege and honor to serve as your state representative. I'd love to hear from you if you would like more details or have any questions on the initiatives addressed in this legislative update.

Sincerely,

## BIG WINS FOR FAIRFIELD & TRUMBULL

- \$2.5 million approved for Fairfield Rooster River flood mitigation
- \$373,000 for Trumbull's transportation infrastructure
- Saved Trumbull and Fairfield from education funding cuts
- \$350,000 for the Fairfield Senior Center
- \$6.1 million in HVAC investments and air quality improvements for Fairfield Public Schools
