

We are all feeling the impact of the current economic crisis. Many of us are suddenly confronted with new difficulties and are unsure where to look for help. One of the most important aspects of my job as your State Representative is helping citizens deal with state government. While I can't promise that I can solve every problem, my staff and I will try to the best of our ability to find answers to your questions and address your concerns. If I can be of service to you, or your loved ones, on any issues involving state government, please don't hesitate to contact me.

Sincerely,

DAVID W. KINER
