COVID-19 UPDATE FOR MANCHESTER RESIDENTS

FROM YOUR STATE REPRESENTATIVE

Geoff Luxenberg

12th House District

Connecticut started its vaccine rollout with our first doses going to health care workers and at-risk populations like residents of nursing homes. While it appears we're well ahead of other states, we still have a long way to go. So stay safe and stay vigilant about your health and the health of our neighbors.

In this newsletter, I've compiled information on testing sites, resources for families and businesses, and all-around helpful info in case you or someone you know falls on hard times. Contact me anytime so that we can get you and your family the results that you deserve.

Sincerely,

A handwritten signature in black ink, appearing to read 'Geoff Luxenberg'.

When will I be able to receive a COVID-19 Vaccine?

Information about eligibility and timeline can be found at ct.gov/covidvaccine/access. We do not expect a vaccine to be widely available to the public until late summer or the fall of 2021.

Where can employees and employers get information on workplace vaccine access?

If you are an employer of “healthcare” or “critical workforce” staff, visit ct.gov/covidvaccine/ employers to sign-up your employees for vaccination.

Can I still get COVID-19 after I'm vaccinated?

It typically takes a few weeks for the body to build immunity after vaccination. That means it's possible to be infected with the virus just before or just after vaccination. However, if this happens the vaccine may prevent serious illness.

Out of work?

Go online to file your unemployment claim at www.FileCTUI.com. Please feel free to reach out to me at any time for help or with questions.

Own a business?

For the latest COVID-19 business restrictions, information on permits and licensing, and to see what financial assistance or relief you may be eligible for, visit business.ct.gov/recovery.

Facing housing issues?

There are a number of programs designed to help homeowners and renters during these difficult times:

Temporary Rental and Mortgage Assistance
Up to \$4,000 in rental assistance and emergency loan refinancing.
Call (860) 785-3111 or visit www.CHFA.org
