Dear Friend,

It has been such a difficult year, but I want to thank you and your family for the sacrifices you have made to protect the health and safety of our community. Every single day I am reminded of how lucky I am to live in such a tight-knit community, and that is what inspires me to get up every morning and fight for you as we navigate this pandemic and its aftermath.

As your state representative it is my job to connect you with key government services and ensure that your voices and interests are heard in the legislative process. Some of my top priorities right now are addressing the economic fallout of the pandemic, accelerating vaccine development and distribution, alleviating the crumbling concrete foundations crisis, and increasing access to high quality, low-cost healthcare. But I always want to hear from you about how I, as your representative at the policymaking table, can better support your interests. Please do not hesitate to reach out with any questions, comments or suggestions.

Sincerely,

Geoff Luxenberg
