# MANCHESTER SUMMER ACTIVITY GUIDE!

FROM YOUR STATE REPRESENTATIVE

## Geoff Luxenberg

12th House District – Manchester

Dear Friends,

I hope that you are safe and healthy. This past year has been incredibly difficult on our entire community, which is why I hope you will consider enjoying all that Manchester has to offer this summer. In this guide I have included information about fun activities and events that you can attend around town.

Even though our COVID infection rate is extremely low, I still encourage everyone to get the vaccine. After such a long time away from family, friends and fun, the last thing that we would want is for another outbreak to happen in our state. There is so much catching up to do, and the only way that we can have a truly worry-free summer is by getting as many people vaccinated as possible.

Despite the difficult times that we endured, I know that Manchester can and will come back stronger than ever. We cannot do it alone though. If you or someone you know is struggling or needs assistance, please do not hesitate to reach out to me at 860-335-2023 or on Facebook.

I look forward to seeing you around town!

Geoff
