REP. NICK MENAPACE: EXPANDING ACCESS TO CLEAN, AFFORDABLE POWER

- Voting to help make energy cleaner and more affordable
- Voting to keep renewable, clean energy programs predictable and more accessible
- Modernizing and streamlining solar programs to reduce costs and speed up installations, allowing plug-in solar for the first time
- Expanding access for renters and homeowners who can't install traditional rooftop systems

I remain committed to making Connecticut more affordable. It is an honor to represent you, and I will continue to work and advance policies that support working families and strengthen our communities.
