

REP. MESKERS: BRINGING BACK CONNECTICUT'S ECONOMY

While our communities have faced devastating hardship this year, we are beginning to see brighter days ahead. With a new administration in the White House, our state has a unique opportunity to leverage federal funding and make the types of targeted investments that our economy needs to ensure all of Greenwich's residents are on a path to prosperity.

I've highlighted a few proposals that House Democrats have advanced out of our budget committees, along with a few items that I'm personally endorsing.

Please reach out to me at any time for more information.
