

Now is the time for everyone to send in the 2010 Census form.

April 1 is National Census Day. Every 1% returned on time saves American taxpayers \$85,000,000. Only 10 questions – it couldn't be simpler. Census information is used to determine Connecticut's congressional representation and our share of \$400 billion a year in federal funding to support:

- » Hospitals
- » Job training centers
- » Schools
- » Senior centers
- » Emergency services
- » Public transportation
- » Bridges and tunnels
- » Public works projects
- » Title I school funding
- » Section 8 and public housing assistance
- » HUSKY insurance

—Join me in making sure that Stamford gets its fair share.

**Census
2010**

The 2010 Census — Easy to fill out, safe and important — *We need to be counted.*

Please participate in the Census!

HOW IT WORKS

» March

A census form will be mailed to you. If you fill it out and return it by April 1, no census taker will need to contact you.

» April-July

Census workers will visit the homes of people who did not return the forms.

MORE INFORMATION

You can find more information about the census at: www.housedems.ct.gov/Census

SAFE & CONFIDENTIAL

The Census Bureau is prohibited from disclosing individual information to anyone, under penalty of up to \$250,000 and five years imprisonment.

Your information is kept absolutely confidential.

It is used only to produce statistics.

COUNT ME IN

Everyone residing in your home needs to be included on the census form, regardless of their age and relationship to you. Census data is used by businesses and non-profits, as well as government, to make critical decisions about where to locate, expand and invest. If Stamford is undercounted our city will lose aid that we need and deserve.

REMINDER

» Census workers will always have:

- » an identification badge
- » a confidentiality notice

» Census workers will:

- » *NOT* ask for a social security number
- » *NOT* ask for bank account information
- » *NOT* contact you through email
- » *NOT* ask for money or donations
