

# BRINGING BACK CONNECTICUT'S ECONOMY

Dear Neighbor,

While communities across the state, including Wethersfield, have faced hardship during the pandemic, we are beginning to see brighter and stronger days ahead. With federal funds, including the American Rescue Plan dollars, our state has a unique opportunity to leverage funding and make the types of targeted investments that our economy needs to ensure all Connecticut residents can recover economically. I have highlighted several bills in this mailer that we have passed this legislative session that will aid in the recovery.

Please reach out to me at any time for more information.
