REP. MARY MUSHINSKY LEADS ON CLEAN ENERGY AND CLIMATE SOLUTIONS

- ✓ Set new goals for reducing greenhouse gas emissions without imposing costs on ratepayers.
- ✓ Supported clean energy jobs and businesses.
- ✓ Expanded strategic plans for clean technologies.
- ✓ Improved state and local sustainability planning.
- ✓ Expanded loan and grant programs to include more that benefit low-income residents.
- ✓ Supported plans that look to reduce energy costs, lower emissions, and support climate resilience.
