HELPING WITH GROCERY BILLS

The Food Stamp program is now called Supplemental Nutrition Assistance Program (SNAP). It is now easier for seniors to qualify. SNAP helps seniors and families afford the cost of food at grocery stores. Income eligibility requirements were recently raised, meaning a household of two can earn up to \$2,248 monthly and qualify for assistance.

LOCATING MISSING SENIORS

Connecticut now has Silver Alert, which is modeled after the Amber Alert system for missing children. This will help locate missing seniors and mentally impaired adults by broadcasting an emergency missing persons notice to radio and television stations through the Emergency Alert System, as well as through 2,800 CT Lottery system retailers & electronic billboards.

PREVENTING FINANCIAL CRIMES AGAINST SENIORS

To protect seniors from fraudulent marketing practices, we prohibited financial consultants and life insurance agents from advertising that they are certified to advise seniors unless they have completed a qualified training program or meet state standards for certification.

ENERGY ASSISTANCE

It is not too late to apply for home heating assistance programs. These programs are designed to help qualifying homeowners and renters with their primary heating bills. If you need assistance, call my office at 860.240.8585 or *the Bristol Community Organization* at 860.582.7490.

INSURING ACCESS TO DISCOUNT PROGRAMS

To make sure that seniors can take advantage of all discounts offered to them by businesses, stores must now have a prominent sign at the cash register, store entrance or point of display stating their discount policy, including the qualifying age and discount percentage or dollar amount.

EXPANDING ACCESS TO AFFORDABLE HOMECARE

New rules expand access to affordable personal care assistance under the Connecticut Homecare Program for Elders. This program can provide assistance with daily living activities and help many seniors to remain independent in their homes rather than enter a nursing home.
